MEDICAL CERTIFICATE

Luna Parkinson was seen and examined by me on 13 Nov 2023 and in my opinion is/has been medically unfit from 16/11 /23 and should be fit to resume work/study on 27/11 /23. Please take this into consideration with her upcoming assignments and I would be grateful if extensions to due dates could be considered.

Dr Eve Fitzgerald

Signed: _____ Date of Certificate: 20 Nov 2023
